

R E M A R K S

Claims 1-29 are withdrawn purely for administrative reasons, with the intention to file a continuation application that would pursue allowance of those claims. There is not intent whatsoever to cancel the claims because of any alleged application by any prior art.

Claim 36, which depends was objected to, but was indicated to be allowable if expressed in independent form. For purely formatting reasons, claim 29 is amended by including therein the limitation of claim 36, which yields exactly the same result that would have been attained by amending claim 36. Again, no intent whatsoever should be attached that the amending of claim 29 is because of any alleged application by any prior art.

As amended, claim 29 is allowable, and since claims 30-35, and 37 depend on claim 29, it is believed that these claims are also allowable.

Allowance of these claims and passage of the case to issue are respectfully solicited.
